### UAE VISION 2021 - FIRST RATE EDUCATION SYSTEM

Dear Parent,

Date: 09/03/19

#### Sub: TIMSS 2019 Main Study Examination

The Ministry of Education and authorities in the UAE use TIMSS as one of the indicators to monitor the progress in **Mathematics and Science** achievement for Grade 4 and 8 and have set a goal for the UAE to be one of the top 15 performing countries in TIMSS by 2021

The National and International Assessments Team, UAE along with the Australian Council of Education Research (ACER) has declared the testing dates for Trends in International Mathematics and Science Study (TIMSS) for the year 2019.

**TIMSS 2019 testing sessions are scheduled as follows :**

Date	Grade & Section
18 <sup>th</sup> March 2019 ( Monday)	Grade – 4( C ) and 4 ( F)
19 <sup>th</sup> March 2019 (Tuesday)	Grade – 8 ( A) and 8 ( D)

**Please note :** All sections of Grade 4 and 8 will not be taking the TIMSS . Two sections each of the Grade – 4 and 8 have been selected randomly to participate in the assessment. This year 4 ( C ) , 4 ( F ) , 8(A) and 8 ( D) have been selected to participated in this test.

TIMSS comprehensive assessments include data on student performance in the different Mathematics and Science domains (algebra, geometry, biology, chemistry etc) an on performance in the problem solving challenges in each of these contexts.

**Kindly ensure that your ward is present on the testing date as attendance is mandatory.**
