

ROSARY PRIVATE SCHOOL SHARJAH- MUWEILAH BRANCH

Foundation Stage – 1

NEWSLETTER

Issue: March, 2020

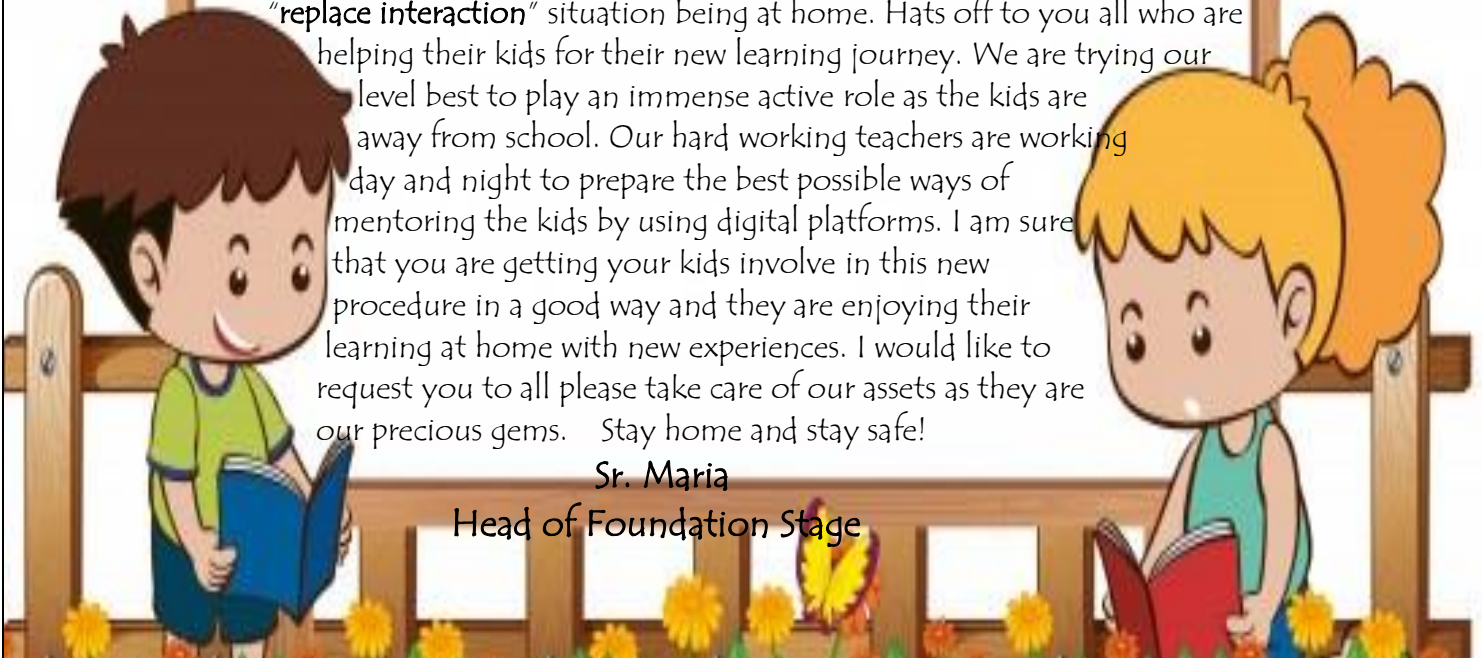

Dear Parent,

While none of us could have predicted even a few weeks ago that we would launch this dramatic new transition in education, I could not be prouder of the way our teachers have come together to ready themselves to teach your children from their own homes. And I could not be more grateful to all of you for your faith in our teachers, and all of the hardworking staff of our school. No one has ever believed the school without students. All of us are living through an unprecedented time as we work to keep our communities safe and healthy in the face of the coronavirus. I know that it's a big challenge with a full time job and full time parenting. I completely understand that it's not at all easy to handle. But we should stand together and join our hands to fight against this pandemic situation. We have to understand that our kids are going through

"**replace interaction**" situation being at home. Hats off to you all who are helping their kids for their new learning journey. We are trying our level best to play an immense active role as the kids are away from school. Our hard working teachers are working day and night to prepare the best possible ways of mentoring the kids by using digital platforms. I am sure that you are getting your kids involve in this new procedure in a good way and they are enjoying their learning at home with new experiences. I would like to request you to all please take care of our assets as they are our precious gems. Stay home and stay safe!

Sr. Maria

Head of Foundation Stage
