

Dear Valuable Parent,

“Education is the key to unlocking the world, a passport to freedom.”-Oprah Winfrey

It's amazing to see that in this school year we celebrated lots of successes, faced some challenges and difficulties but despite of all we worked day and night to ensure the best learning practices delivered to the students in all possible ways. While none of us could have predicted even a few weeks ago that we would land up in a situation to create a huge transformation from classroom learning to distance learning. In fact, I have never expected the school without its students. I might not be very expressive and could not be prouder of the students, teachers and parents who have come together to ready themselves to teach the children from their own homes.

The school is working to provide rich and engaging, well-rounded experiences for our students and knowing that education is about wonder and fostering curiosity, along with development of social skills so needed to succeed. For these, and a million other things, we are truly grateful.

I want to thank you all for the support and patience shown these past months. There are countless people to whom I owe an expression of gratitude and hope that we continue working together in the coming years. Our parents have supported us and made the things possible for the school in this critical situation of COVID-19 and we developed a strong learning community to achieve the school's goals and ensuring our students' are our top priority.

All of us are living through an unprecedented time as we work to keep our communities safe and healthy in the face of the coronavirus. I would like to salute all our Corona Fighters in this pandemic situation. These corona fighters are trying their best for saving our lives and our community in this crucial situation.

I would like to thank our hard working and caring teachers and staff who have made a huge difference to our students. Their commitment is outstanding and our students are the beneficiaries.

In closing, I would like to take this opportunity to tell my students that you are my treasure and I wish you all a very safe, active and productive stay at home with lots and lots of learning experiences.

I look forward to seeing you in new academic year.

Sr.Raphael (Sawsan) Bader
Principal
