Activity-Online Safety (Grade 1/2/3)

Date: 21Feb-25 Feb 2021

Subject: E-Safety Program

Purpose of activity: The basic purpose of the activity is to tell students about Online safety, importance of E-Safety and need to deal with challenges faced by students. And also to empower them in order to create a responsible part of the society.

Brief description: The students were told about Internet and how now a days our lives, Work, Studies all depends on Internet as we are having online classes. Then how can we be safe by being SMART. Different risks of using internet and their solutions as well. How over-engagement on Internet can have adverse effects e.g.-Gaming, Social Media, More screen time.

Response: Students of Grade 1/2/3 were assigned different projects on E-Safety. And they participated in these projects with enthusiasm.

- **Sireen of grade 3B**, she designed a game on E-Safety on Scratch. Here's the link:
